“HAPPY CANADA DAY”

by Paul McCann

In Canada the time is right,
to smile at the world today.
For Canadians all love to dance,
and sing and work and play.
Canada so large and bold with green pastures
in peaceful spots.
Canada with regions cold
in the beauty of vacant lots.
The Sun is always shining
beyond the highest mountain top.
It's remote in rocky places
where the snowfalls never stop.
I think some days cloudy skies
will try to shake the blue away,
But in the world there's a time,
to remember “Canada Day”
