

**We are back!!**

**Mark your calendars for Friday, September 23, 2022.**

**9:30 am – 3:30 pm**

## **It's Education Day at the Ancaster Fair**

Where during the day admission for Teachers and Students is FREE! You can see animals, learn about agricultural, view the tools and equipment their grandparents might have used, see handcrafted items, participate in hands-on activities, and have FUN!

Pre-registration is NOT required.

---

Also, watch for details coming in the fall for our Spring Education Day 2023. This is another opportunity for students to learn more about agriculture and where their food comes from. Our spring program is for Grades 3 & 4, and is by reservation only, as there is limited number of learning spaces available.

If you require additional information for either program, please contact the fair office: 905-648-6198

*See You at the Fair*
