

November 2023

We are excited to once again welcome schools to our Farm Gate to Dinner Plate Spring Program for 2024.

This is a no-charge, full day program targeted at grades 3 & 4. It is an opportunity for students to learn about agriculture from area farmers and producers....where their food comes from, how animals are looked after, the difference between vegetables and fruit, and so much more. There will be live animals, hands-on activities and an opportunity to talk to a farmer.

With the overwhelming response from last year we have added an additional day. You now have 3 days to choose from - April 16, April 17 or April 18, 2024.

Register early to avoid missing out.

Complete the form on the following page or go to the link <https://forms.office.com/r/zpb1wTQEVO> and submit your registration.

For schools registering before January 31, 2024, the Ancaster Agricultural Society provides a nominal amount towards bussing costs.
